SALT

Conclusion

1. Continuing Sov mil emphasis

Whatever fact - impression of strategic equivalence -

Clearly ahead some categories next few years

25X1

Disturbing - projection power -

Opportunities elsewhere

SASC must grapple w/how address mil bal/perception

DCI must continue emphasis

2nd major consideration -

Energy supplies

Problem clearly established

OPEC control

Inflation record

74-78 1/2

79 doubled

Production limits -

Political prob

Sov threat

Internal stability

SASC - mil posture clearly applicable -

how - how much - type?

DCI - especial emphasis on internal problems

Societal change

Can't neglect 3rd World

Sov proj power

Willingness seize opportunities

Especially w/detente

low

SASC - worry mil posture

DCI expand coverage

25X1
